- The product, the pen, and the product stand are exposed to direct sunlight or heat from an appliance, or are exposed to water or any other kind of liquid.

Do not use the product in a dusty environment; this may damage it.

USAGE

WARNING

Only use a power adapter specified for use with the product. If a different type of power adapter is used, the product will not work properly or may be damaged. Using a different type of power adapter also has the potential to result in fire. Use of a different power adapter will void your warranty.

Regularly remove dust build-up from the power plug. The addition of moisture, etc., to accumulated dust may create a fire hazard.

Do not damage, forcibly bend, or bundle the power cord. Do not place heavy objects on the cord or expose it to excessive heat. Ignoring this warning may result in fire, electrical shock, or product failure.

Do not connect or disconnect the power adapter with wet hands. Ignoring this warning may result in electrical shock or product malfunction.

Do not insert foreign material into the USB port, video connector ports, or any other opening of the product. If a metal object or foreign material is inserted into a port or other opening of the product, it may cause product malfunction, fire, or electrical shock.

CAUTION

HANDLING

WARNING

High Voltage. Do not open or disassemble the product. There is a risk of electrical shock when the casing is open. This will also void your warranty and Wacom shall have no responsibility to repair or replace the product.

Ensure that cabling or other objects do not get entangled in the moving parts of the stand.

Do not place the product on any wet surface or table. The product may slip, allowing the product to fall from the surface.

When moving the product, ensure all cables are fully disconnected from the power outlet, computer, and other areas. Appropriately bundle the cables to ensure they do not hang free and create a hazard. Tripping over loose cables can cause physical damage or personal injury.

Do not place the product on any unsteady surface or table. Do not place it on slanted areas, unstable areas, or areas where vibration is present. Physical damage or personal injury may result if the product falls from an unsuitable surface.

Do not sit on, or hang from, the table or other surface where the product is placed. The product may fall and cause physical damage or personal injury. Take extra care where children are present.

If the LCD screen has been damaged, **DO NOT** touch any liquid that may be leaking from it; this liquid is an irritant. In case of contact with skin, eyes, or mouth, rinse immediately with running water for at least 15 minutes. If contact is made with the eyes or mouth, consult a physician.

Choking hazard. Prevent children from swallowing the pen tip or side switch. The pen tip or side switch may accidentally be pulled out if children are biting on them. Prevent children from playing with any packing materials or wrapping, as a choking or suffocation hazard may exist.

Refrain from using the product during thunder or electrical storms. Disconnect the product also from the AC power source during such weather. Using the product during thunder or electrical storms may cause product malfunction, fire, or electrical shock.

Do not disassemble the pen. This may cause the device to malfunction. In this case, Wacom shall have no responsibility to repair or replace the pen.

Do not strike hard objects with the pen, such as repeatedly tapping the pen against a desk surface. Doing so may cause damage to the pen.

Do not apply excessive pressure or stress to the pen tip, eraser, or side switch. This may cause premature failure or malfunction.

Only use a replacement pen tip (nib) specified for the pen by Wacom.

This product has parts made of metal. If you show symptoms of metallic allergy during use, stop using the product, and consult a doctor immediately.

Do not scratch the display screen. Avoid placing sharp objects on the display screen surface.

Do not use the Felt nib. It may scratch the display screen.

Avoid intensive shock or vibration to the product, the product stand, or the pen. Hitting or dropping the product may damage the display screen or other components.

Do not put heavy objects on the product or push against it with a strong force; this may damage the display screen or break the product stand mechanism.

Do not place heavy articles on the product cabling, repeatedly bend the cables sharply, or apply heavy stress to the cable connectors; this may damage the product or cabling.

Do not store the product on a surface that would excessively bend or crimp the cable.

If your product has a coated surface, a worn pen nib that is sharp or angular may cause damage. Replace the pen tip if necessary.

Do not use any organic solvent (e.g. alcohol) or even mild detergent to clean the display screen. Use of these cleaners can damage the display screen. Damage of this kind is not covered by the manufacturer's warranty.

- Before cleaning, always disconnect the product from the AC power source.
- To clean the display screen, use an anti-static cloth or a slightly damp cloth. When cleaning, apply only a light amount of pressure to the display screen and do not make the surface wet.
- To clean the product casing, the product stand, or the pen, use a slightly dampened (with water) soft cloth.

Always disconnect the product from the AC power source if the product appears to be malfunctioning, has been damaged by a fall, or in some other manner.

Touching the same part of your body to the product (LCD panels and other areas) for extended periods of time may cause low temperature burns. Avoid touching the product with the same part of your body for extended periods of time.

Do not place metallic objects on the product when using the product. Doing so may cause malfunction or damage to the product.

Placing other tablets or other devices near the product may affect the product's operation and cause malfunctions. If this happens, place the interfering devices to the side or further away from the product.

Move the product periodically to another place on your work surface to avoid permanently discoloring or altering the appearance of the surface.

If you lift the product, hold the product with both hands.

CAUTION

The batteries in the products are not consumer replaceable. You must return the product to Wacom or an authorized service center for any battery replacement, whether covered by the warranty or not.

CAUTION: Risk of explosion if battery is replaced by an incorrect type. Dispose of used batteries according to the instructions.

IMPORTANT: You must back up all your data and digital materials before returning your product to Wacom for any reason. To protect your privacy and personal information, Wacom will erase all data and install a fresh operating system image on EVERY product returned to Wacom, before replacing the battery or doing any warranty or other repair work.

Charging the product. To charge the product, use only the attached AC adapter.

When you use the AC adapter to charge the product, make sure that the AC adapter is fully assembled before you plug it into a power outlet. Then insert the AC adapter firmly into the power outlet.

Do not connect or disconnect the AC adapter with wet hands.

The AC adapter may become warm during normal use. Always allow adequate ventilation around the AC adapter and use care when handling. Unplug the AC adapter if any of the following conditions exist:

The power cord or plug has become frayed or damaged.

The adapter is exposed to rain, liquid, or excessive moisture.

The adapter case has become damaged.

You suspect the adapter needs service or repair.

You want to clean the adapter.

Avoiding Hearing Damage: Permanent hearing loss may occur if the receiver, earbuds, headphones, speakerphone, or earpiece are used at high volume. Use only compatible receivers, earbuds, headphones, speakerphones, or earpieces with your device. Turn on the audio and check the volume before inserting anything in your ear. You can adapt over time to a higher volume of sound that may sound normal but can be damaging to your hearing. If you experience ringing in your ears or muffled speech, stop listening and have your hearing checked. The louder the volume, the less time is required before your hearing could be affected. Hearing experts suggest that to protect your hearing: Limit the amount of time you use the receiver, earbuds, headphones, speakerphone, or earpieces at high volume.

To prevent possible hearing damage, do not listen at high volume levels for long periods.

2.5 No Support.

Wacom has no obligation to provide technical support, maintenance, upgrades, modifications or new releases under this Agreement.

3. WARRANTIES AND REMEDIES

3.1 Limited Warranties.

Wacom warrants that the Software, when used in accordance with the Documentation and the terms and conditions of this Agreement, will materially perform in accordance with the Documentation for a period of two (2) years from the date the Software is first installed or activated by You ("Warranty Period"). In the event that the Software does not comply with the foregoing warranty during such Warranty Period, then Wacom shall correct such non-compliance by repairing or replacing the Software at no additional charge to You. If repairing or replacing the Software is impossible or disproportionate, or cannot be completed within reasonable time or inconvenience, You shall be entitled to either require appropriate reduction of any fees paid or have the Agreement rescinded. The Software is not fault tolerant and is not designed, permitted or intended for uses related to high risk activities. No oral or written information or advice provided by Wacom, its agents or any distributors or retailers of the Product will create any warranty or in any way increase the scope of the warranties expressly provided by Wacom under this Agreement. This paragraph states the entire liability and obligation of Wacom, and Your sole and exclusive remedy in the event that the Software does not comply with the foregoing warranty. Wacom does not warrant that: (a) the Software will meet Your requirements, (b) the Software will be compatible with or operate on the computer or other device on which You install it, or (c) defects in the Software will be corrected, or that the operation of the Software will be uninterrupted or error-free. This Agreement contains no warranties from Wacom for the hardware components of the Products, which are subject to Wacom's standard hardware warranty (if any) applicable thereto. Wacom will have no warranty obligations under paragraph if such non-compliance is caused by unauthorized use of the Software, abuse, misuse, alteration, neglect or accidental damage of the Software or any repair or modification of the Software not performed by Wacom. Replacement or repair of Software does not extend its warranty period beyond the original Warranty Period.

3.2 Disclaimers.

Other than for the express warranties contained in this Agreement, WACOM MAKES NO, AND HEREBY DISCLAIMS ALL, OTHER REPRESENTATIONS AND WARRANTIES OF ANY KIND WITH RESPECT TO THE SOFTWARE. TO THE FULLEST EXTENT PERMISSIBLE UNDER APPLICABLE LAW, WACOM EXPRESSLY DISCLAIMS ALL WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, WITH RESPECT TO THE SOFTWARE, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SATISFACTORY QUALITY, ACCURACY, TITLE AND NON-INFRINGEMENT, AND ANY WARRANTIES THAT MAY ARISE OUT OF COURSE OF PERFORMANCE, COURSE OF DEALING OR USAGE OF TRADE. IF YOU ARE A CONSUMER (A USER OF THE SOFTWARE FOR PERSONAL PURPOSES AND NOT FOR BUSINESS, TRADE OR PROFESSIONAL PURPOSES), THE FOREGOING LIMITATIONS MAY NOT APPLY TO YOU BASED ON THE APPLICABLE LAWS OF THE JURISDICTION IN WHICH YOU RESIDE.

4. TERMINATION

This Agreement is effective until terminated. Additionally, Your rights and licenses under this Agreement will automatically terminate and cease to be effective, without any notice or action by Wacom, in the event that You fail to comply with any terms of this Agreement. Upon termination of this Agreement, You will cease all use of the Software and permanently delete and make unrecoverable the Software (including Your back-up copy and all Documentation) from Your computer or similar device on which it was installed. Upon any termination of this Agreement, Sections 1, 2.2, 2.4, 3.2, 4 and 5 will survive.

5. GENERAL TERMS

5.1 Law.

This Agreement and all matters arising out of or relating to this Agreement will be governed by the internal laws of Japan without giving effect to any choice of law rule. This Agreement will not be governed by the United Nations Convention on Contracts for the International Sales of Goods, the application of which is expressly excluded. In the event of any controversy, claim or dispute between the parties arising out of or relating to this Agreement, such controversy, claim or dispute may be tried solely in the Tokyo District Court, located in Japan, and Wacom and You each hereby irrevocably consent to the jurisdiction and venue of such court.

5.2 Limitation of Liability.

In no event will either party be liable for any indirect, incidental, special, consequential or punitive damages, or damages for loss of profits, revenue, business, savings, data, use or cost of substitute procurement, incurred by either party or any third party, whether in an action in contract or tort, even if the other party has been advised of the possibility of such damages or if such damages are foreseeable. In no event will Wacom's liability for damages hereunder exceed the amounts actually paid by You for the Product. The parties acknowledge that the limitations of liability in this Section 5.2 and in the other provisions of this Agreement and the allocation of risk herein are an essential element of the bargain between the parties, without which Wacom would not have entered into this Agreement. Wacom's pricing of the Products reflects this allocation of risk and the limitation of liability specified herein. Notwithstanding the above, nothing in this Agreement limits Wacom's liability to You in the event of: (i) death or personal injury to the extent resulting directly from Wacom's negligence or that of its employees or agents; or (ii) any fraudulent act or omission of Wacom or that of its employees or agents; or (iii) to the extent arising out of any willful or grossly negligent misconduct on the part of Wacom.

5.3 Severability.

If any provision of this Agreement is held to be illegal, invalid or otherwise unenforceable, such provision will be enforced to the extent possible consistent with the stated intention of the parties, or, if incapable of such enforcement, will be deemed to be severed and deleted from this Agreement, while the remainder of this Agreement will continue in full force and effect.

5.4 Compliance with Laws.

You will comply fully with all applicable laws and regulations, including export laws and local laws of the country or region in which You reside or use the Software. Without limiting the generality of the foregoing, You will not, and You will require Your representatives not to, export, direct or transfer the Software, or any direct product thereof, to any destination, person or entity restricted or prohibited by the applicable law.

5.5 Entire Agreement; General.

This Agreement constitutes the entire agreement between the parties and supersedes all prior or contemporaneous agreements or representations, written or oral, concerning the subject matter of this Agreement. This does not, and shall not be construed to, create any partnership, joint venture, employer-employee, agency or franchisor-franchisee relationship between You and Wacom. Any heading, caption or section title contained herein is inserted only as a matter of convenience, and in no way defines or explains any section or provision hereof. The waiver by either party of any default or breach of this Agreement may only be made in writing and will not constitute a waiver of any other or subsequent default or breach.

LIMITED HARDWARE WARRANTY (AMERICAS)

Wacom Co., Ltd. ("Wacom") warrants the Wacom MobileStudio Pro product ("Wacom Product(s)") hardware, to the original consumer purchaser, except for consumable items such as the pen cartridges, tablet surface sheet and nibs, to be free from defects in materials and workmanship under normal use and service for a period of one (1) year ("Warranty Period"), from the date of original retail purchase, as evidenced by a copy of the receipt and registration with Wacom within 30 days of purchase.

If you have purchased a Wacom Product that includes a rechargeable battery, Wacom warrants the battery, to the original consumer purchaser, to be free from defects in materials and workmanship for a period of one (1) year from the date of original retail purchase of the Wacom Product with that battery. As with all batteries, the maximum capacity of the battery included in the Wacom Product will decrease with time and/or use. This battery warranty does not cover changes in battery capacity except if they are caused by defects in materials or workmanship or the battery capacity drops to less than 50% of the original capacity. To determine whether your battery has had a warranted failure, you may be required to run a Wacom diagnostic test. This Limited Warranty does not cover any battery if (i) the battery has been charged by a battery charger not specified or approved by Wacom for charging the battery; (ii) the battery has been discharged excessively and the internal protection circuit has been activated, (iii) any of the seals on the battery are broken or show evidence of tampering; or (iv) the battery has been used in equipment other than the Wacom Product for which it is specified. Battery life is not warranted and will vary depending on product configuration and usage, including but not limited to product model, applications running, power management settings, and product features.

IMPORTANT: The batteries in Wacom MobileStudio Pro products are not consumer replaceable. You must return the Wacom Product to Wacom or an authorized service center for any battery replacement, whether covered by the warranty or not.

Upon discovery of a defect in the Wacom Product, except in the Software, within the Warranty Period, you should contact Wacom Technical Support via telephone, email, or fax to obtain an RMA (Return Merchandise Authorization) number and instructions for shipping the product to a service location designated by Wacom. You should send the product, shipping charges prepaid, to the designated service location, accompanied by the return authorization number, your name, address and telephone number, proof of purchase date, and a description of the defect. Wacom will pay for return shipping by United Parcel Service or by an equivalent service as chosen by Wacom.

IMPORTANT: YOU MUST BACK UP ALL YOUR DATA AND DIGITAL MATERIALS BEFORE RETURNING YOUR MOBILESTUDIO PRO TO WACOM FOR ANY REASON. TO PROTECT YOUR PRIVACY AND PERSONAL INFORMATION, WACOM WILL ERASE ALL DATA AND INSTALL A FRESH OPERATING SYSTEM IMAGE ON EVERY MOBILESTUDIO PRO RETURNED TO WACOM, BEFORE REPLACING THE BATTERY OR DOING ANY WARRANTY OR OTHER REPAIR WORK.

Wacom's sole obligation and entire liability under this warranty shall be, at Wacom's option, either the repair or replacement of the defective Wacom Product or parts thereof of which Wacom is notified during the Warranty Period; provided, however, that you are responsible for (i) the cost of transportation of the Wacom Product to the designated service location and (ii) any loss or damage to the Wacom Product resulting from such transportation. Wacom shall have no responsibility to repair or replace the Wacom Product if the failure of the Wacom Product has resulted from accident, abuse, misuse, negligence, or unauthorized modification or repair, or if it has been handled or stored other than in accordance with Wacom's storage instructions.

All repaired/replaced Products will be warranted for a period equal to the remainder of the original Limited Warranty on the original Product or for ninety (90) days, whichever is longer.

Any descriptions, drawings, specifications, samples, models, bulletins, or similar material, used in connection with the sale of the Wacom Product, shall not be construed as an express warranty that the Wacom Product will conform or comply with your requirements.

EXCEPT FOR THE LIMITED WARRANTY DESCRIBED ABOVE, THERE ARE NO OTHER WARRANTIES MADE BY WACOM ON THIS PRODUCT. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY WACOM, ITS DEALERS, DISTRIBUTORS, AGENTS, OR EMPLOYEES SHALL CREATE A WARRANTY OR IN ANY WAY INCREASE THE SCOPE OF THIS WARRANTY, AND YOU MAY NOT RELY ON ANY SUCH INFORMATION OR ADVICE. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE AND COUNTRY TO COUNTRY. WACOM LIMITS THE DURATION OF ANY LEGALLY IMPLIED WARRANTIES INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, TO THE DURATION OF WACOM'S EXPRESS WARRANTY.

SOME STATES OR COUNTRIES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU. NEITHER WACOM NOR ANYONE ELSE WHO HAS BEEN INVOLVED IN THE CREATION, PRODUCTION, OR DELIVERY OF THIS PRODUCT SHALL BE LIABLE FOR ANY DIRECT, CONSEQUENTIAL, OR INCIDENTAL DAMAGES (INCLUDING DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION AND THE LIKE) ARISING OUT OF THE USE OF OR INABILITY TO USE

SUCH PRODUCT, EVEN IF WACOM HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

In the event that any of the above limitations are held unenforceable, Wacom's liability for any damages to you or any party shall not exceed the purchase price you paid, regardless of the form of any claim.

This Limited Warranty is governed by the laws of the United States of America and the state of Oregon.

This Limited Warranty is valid for and only applies to Wacom Products purchased and used inside the Americas, i.e. the United States (and its territories or possessions), Canada, Central America, South America or the Caribbean.

LIMITED HARDWARE WARRANTY (EUROPE, AFRICA AND MIDDLE EAST)

Wacom Co., Ltd. (hereinafter referred to as "Wacom") warrants to you, as the initial purchaser, ("you" or "the customer") that the Wacom MobileStudio Pro product hardware ("Wacom Product(s)") hardware will remain free from defects in materials and workmanship under normal use and service for a warranty period of TWO (2) YEARS commencing from the purchase date and provided that the Wacom Product was unused at the time of purchase. Defects in wear parts (e.g. pen nibs, tablet surfaces and batteries) resulting from normal wear and tear are exempt from the warranty. Furthermore, Wacom warrants that the data carriers delivered with the Wacom Product are free from defects in materials and workmanship under normal use for a period of SIX (6) MONTHS from the date of purchase.

If you have purchased a Wacom Product that includes a rechargeable battery, Wacom warrants the battery, to the original consumer purchaser, to be free from defects in materials and workmanship for a period of one (1) year from the date of original retail purchase of the Wacom Product with that battery. As with all batteries, the maximum capacity of the battery included in the Wacom Product will decrease with time and/or use. This battery warranty does not cover changes in battery capacity except if they are caused by defects in materials or workmanship or the battery capacity drops to less than 50% of the original capacity. To determine whether your battery has had a warranted failure, you may be required to run a Wacom diagnostic test. This Limited Warranty does not cover any battery if (i) the battery has been charged by a battery charger not specified or approved by Wacom for charging the battery; (ii) the battery has been discharged excessively and the internal protection circuit has been activated, (iii) any of the seals on the battery are broken or show evidence of tampering; or (iv) the battery has been used in equipment other than the Wacom Product for which it is specified. Battery life is not warranted and will vary depending on product configuration and usage, including but not limited to product model, applications running, power management settings, and product features.

IMPORTANT: The batteries in Wacom MobileStudio Pro products are not consumer replaceable. You must return the Wacom Product to Wacom or an authorized service center for any battery replacement, whether covered by the warranty or not.

If during the applicable warranty period the Wacom Product, excluding any software, is discovered to be defective, it should be returned immediately to the place of purchase in its original packaging together with your name, address, and telephone number, a description of the problem, and a copy of the original receipt. The customer shall be liable for any possible damage or loss of the Wacom Product during transit to the place of purchase for this purpose.

IMPORTANT: YOU MUST BACK UP ALL YOUR DATA AND DIGITAL MATERIALS BEFORE RETURNING YOUR MOBILESTUDIO PRO TO WACOM FOR ANY REASON. TO PROTECT YOUR PRIVACY AND PERSONAL INFORMATION, WACOM WILL ERASE ALL DATA AND INSTALL A FRESH OPERATING SYSTEM IMAGE ON EVERY MOBILESTUDIO PRO RETURNED TO WACOM, BEFORE REPLACING THE BATTERY OR DOING ANY WARRANTY OR OTHER REPAIR WORK.

Wacom's sole obligation and entire liability under this warranty shall be, at Wacom's option, either the repair or the replacement of the Wacom Product or parts thereof that prove defective and that were returned within the applicable warranty period. Wacom does not warrant to repair or replace the Wacom Product if: (a) the damage to the Wacom Product results from accident, misuse, improper use, negligence or unauthorised alteration or repair; (b) the Wacom Product was not handled or stored according to the instructions provided by Wacom; (c) the damage resulted from normal wear and tear of product parts; or (d) the serial number affixed by Wacom has been removed or rendered unintelligible.

All repaired or replaced Products will be warranted for a period equal to the remainder of the original Limited Warranty on the original Product or for ninety (90) days, whichever is longer.

Any descriptions, drawings, specifications, samples, models, notifications or similar material provided in connection with the purchase of the Wacom Product cannot be taken as an explicit guarantee that the Wacom Product corresponds to or fulfills your requirements.

The warranty guaranteed by law remains unaffected. You can claim defects of the Wacom Product in accordance with the relevant legal provisions. Wacom shall only be liable for itself and its vicarious agents if a material contractual obligation has been culpably breached in a manner jeopardising the purpose of the contract or the damage is due to intentional acts or omissions or gross negligence. A material contractual obligation is an obligation which is essential to the proper performance of the contract on which the other party will typically rely. In case that the culpable infringement of such a material contractual obligation is not due to intention or gross negligence, the liability of a party shall be limited to such damages being typical for the contract and which were reasonably foreseeable at the time of the closure of the contract. Where these Terms and Conditions preclude or limit liability, this also applies to the personal liability of the executive officers of the party concerned, its employees, agents and subcontractors. The provisions of the product liability law (Produkthaftungsgesetz) remain unaffected.

If, when a claim made under this warranty is checked, it emerges that it is outside the permitted time period or is not covered by the warranty or that the Wacom Product is not defective, the customer will reimburse Wacom for associated costs.

This limited warranty shall apply if the registered office of the vendor is situated in the EU or Iceland, Norway, Jersey, Switzerland, Russia, the Ukraine, Croatia, Serbia, Tunisia, Turkey, Syria, Lebanon, Jordan, Israel, Egypt, the United Arab Emirates, Iran or South Africa.

This warranty is subject to German law. However, the applicability of the United Nations Convention on Contracts for the International Sale of Goods is explicitly excluded. The city of Düsseldorf, Germany, is the sole place of jurisdiction for all claims arising from this contractual relationship and all disputes between the parties resulting from the formation, handling or termination of the contractual relationship, provided that the customer is a trader, a legal entity or fund under public law. The jurisdiction agreement shall also apply for customers who do not have a general place of jurisdiction in Germany. The jurisdiction agreement shall not apply if, due to legal provisions, a different sole place of jurisdiction must be established for the case. Furthermore, Wacom is authorized to file a lawsuit against the headquarters of the customer.

Should one of the provisions of this limited warranty be or become void, the validity of the other provisions shall not be affected, in full or in part. Should a provision be invalid, the legally permissible regulation most closely resembling the invalid regulation shall apply in its place. If you have any questions about this agreement, or would like to contact Wacom for another reason, please write to us at this address:
